MEMORANDUM FOR: Project Security Officer

SUBJECT : Project Security Items at Ramo-Wooldridge

25X1A

25X1A

I am forwarding the attached note from [REDACTED] on security items at Ramo-Wooldridge. As to the first item he reports, I wonder if [REDACTED] should not be given a supplementary list of witting personnel so as to minimize any embarrassment that might result from the denial by him of access to the Project for individuals who are cleared for it.
